Description of Property and Eligibility Determination: (Use continuation sheet if necessary and attach map and photo)

The structure is a three story high two bay wide brick Italianate rowhouse. The brick pattern on the facade is a common brick pattern and the windows have flat arches over each. The front door and first floor windows (modern replacement) are raised above the basement level which has small casement windows facing the street. The second and third floor windows(modern replacement) are shorter than the first floor and where visible are one-over-one. The cornice is made of wood with wood dentil moulding and end brackets. The roof is a flat style with a slight slope for drainage. In the rear of the property there is a small one to 1 1/2 story high addition.

These typical Italianate Style rowhouses were built between 1870 and 1887. They represent the unparallel growth of
